

# DRUMVOICE STAFF TRAINING

Drumvoice provide inspirational staff training for schools, nurseries and children's centres across the UK, introducing teachers to the incredible benefits and fun that drumming provides!

Directed by expert percussionist, Sarah Westwood, Drumvoice have over ten years' experience delivering outstanding music projects and INSET programmes for education professionals.

## Perfect for:

**Stress-Relief!**  
**Teambuilding**  
**NQT Inductions**  
**Conferences**  
**Professional Development**

## Training Programmes:

### Drumming for Teachers!

#### *Teambuilding & Stress-Relief*

'Drumming for Teachers' is an approach to teambuilding and stress-relief that people LOVE!

Accessible and highly engaging, the drumming experience builds trust, communication and mutual support within your team, creating a strong foundation for success.

Ideal for INSET days, NQT inductions, conferences & celebratory events.

### Teach the Beat

#### *Confident Music Leadership with Percussion Instruments*

'Teach the Beat' builds practitioners' confidence with using percussion instruments as part of the music curriculum.

Music-making can be a daunting prospect, particularly for those teachers who doubt their own musical abilities. With the help of the Drumvoice team, your staff will realise how accessible and invaluable the skills of working with percussion truly are!

### Ready Steady Drum!

#### *Steady Beat For Early Years*

A ground-breaking and highly-commended programme created especially for Early Years practitioners.

Tied in strongly to the language curriculum, and using easily affordable 'instruments', teachers learn to help children with steady beat awareness through a fun programme of drumming, body percussion and rhymes.

**Ask for our separate brochure to find out more!**

**Available for whole & half days, twilight sessions & conferences!**

Drumming is a highly creative way of fulfilling key aspects of the **National Curriculum** and supporting the positive outcomes of **'Every Child Matters'**.

**"What can I say – the feedback was fantastic – people said they could do with a session every week."** - Ruth Pilsbury, Wolverhampton Early Years

**"Sarah inspires maximum development in those she teaches. Her results are always outstanding."** - Chris O'Malley, Yardley Primary School

## More about...

### Drumming for Teachers

**Teambuilding:** Across the ages drumming has been used to strengthen community spirit, celebrate, share, communicate, and build relationships. Drumming gets people working creatively together with an immediate and exhilarating result!

**and Stress-Relief:** Drumming has been shown to reduce stress, lower blood pressure and improve the immune system. Any feelings of isolation and anxiety are also relieved by the social bonding the experience provides.

### Teach the Beat

- Develops confidence to lead structured, creative and engaging music sessions with a range of percussion instruments.
- Delivers practical, accessible skills and material teachers can use straight away.
- Provides an insight into keeping children focussed, engaged and achieving in music sessions.
- Develops creativity and teamwork.

### Ready Steady Drum!

Inspired by the work of renowned educational consultant, Ros Bayley, we offer children a fun and practical way of improving steady beat awareness – a foundational skill with profound learning implications. Positively impacts: emotional well-being, social skills, language & numeracy, co-ordination, listening & confidence.

## About Drumvoice

Founded in 1998 by expert percussionist, Sarah Westwood, Drumvoice has built a reputation for excellence in providing drumming and complementary arts experiences for schools and organizations across the Midlands and the UK.

Sarah is an inspiring facilitator who uses her warmth and great sense of humour to help people learn invaluable skills and spread the joy of Drumming!
